RZH NEWS

Alexander Lazieh, better known as Zander, joined RZH Advisors in August 2021 as a trader. He works in tandem with Carl and Spencer to supervise and manage our investment portfolios. He has a terrific work ethic and makes it his goal to learn something new each day. Zander takes great pride in his work and approaches each day dedicated to making our client experience as good as it can be.

Prior to joining RZH, Zander worked for a similar investment advisor in Rhode Island. He has significant experience monitoring, re-balancing, and trading client accounts. Don't let his quiet personality fool you, he is quite the student of the markets and is extremely detail oriented.

Zander grew up in North Providence, RI and loves to spend time outdoors hiking, fishing and hunting. In his spare time, he is also an avid reader, mostly investment or economic related of course. He earned his bachelor's degree from Salve Regina University.

Please join us in welcoming Zander to the RZH team!
